HERDHUSH APPARELS & TEXTILES LLP.,

Managing Director

HERDHUSH APPARELS & TEXTILES LLP.,

HERDHUSH ACCELERATING TRANSPARENCY IN THE APPAREL INDUSTRY

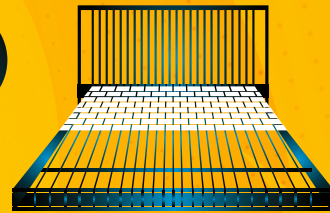

GROWING, GINNING, TRADING 1

Herdhush contracted Ginners receive cotton from multiple selective growers and herdhush is notified with minimum reduction in fibre spinning quality to produce lint of satisfactory quality to meet demands of our customers in the global market.

2 SPINNING, KNITTING OR WEAVING, DYEING

Our contracted spinners use Herdhush procured cotton to produce yarn; fabric mills produce cloth.

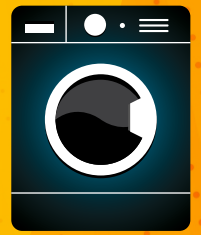

BRAND ORDERS ITS APPAREL

3 CUTTING, SEWING, TRIMMING ↔ EMBROIDERY, PRINTING, WASHING

HERDHUSH subcontracts in-house processes such as embroidery, printing & washing, which sends garments back to HERDHUSH CMT factory once completed.

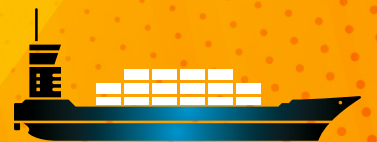

HERDHUSH Cut-make-trim (CMT) factory manufactures garments.

HERDHUSH CMT factory ships garments wholesale to the brand or corporate who placed the orders

Shipment to the designated places are packed and sent as per our clients desired transfer methods

4 WAREHOUSING, SHIPPING

5 RETAIL

Our clients (Corporates & Brands) distributes garments globally to retail and online stores.

HERDHUSH IN-HOUSE, PROCUREMENT AND SUB CONTRACT PRODUCTION CHART

Quality Assurance at HERDHUSH APPARELS & TEXTILES LLP is systematically monitored and evaluated on various aspect of a project, to maximize the probability that standards of quality are being attained by the production process.

Our regular quality checks at all networks including procurement & sub contracts have always determined quality at both in-house and outsourced network.
